Scene

A remote truck stop in the Arizona desert and QUEEN NYLANTA'A spaceship above it.

Time

A few weeks before Christmas in the Near Future, 1962.

**SAMPLE DIALOGUE:**

ZETA

Give me the immobilizer. You got to use it last.

NORMA JEAN

So? You got to black out Albuquerque.

ZETA

You got to blow up the Golden Gate.

NORMA JEAN

Tough tutu.

ZETA

Gimme!

NORMA JEAN

It's mine!

ZETA

Is not!

NORMA JEAN

Is too!

ZETA

Is not! Gimme that control.

NORMA JEAN

NO!

(ZETA and NORMA fight like teenagers over a favorite sweater.  
The beam misfires in the cabin)

NORMA JEAN

Now you did it. They got away.

ZETA

You gave me a noogie.

NORMA JEAN

You give me a pain!

Bubble-brain! ZETA

Half-pint! NORMA JEAN

Martian-breath! ZETA

Pipsqueak! NORMA JEAN

MOTHER!!!!!!!!!!!!!! BOTH

What's going on! With all this screaming there'd better be blood! QUEEN NYLANTA

You started it. NORMA JEAN

Did not, astro-zit! ZETA

Did too! NORMA JEAN

Did not! ZETA

Did too!!!!!! BOTH

Both of you stop it or I'm turning this flying saucer around and there'll be no destruction for anybody....Is that clear! QUEEN NYLANTA

Yes, mother! ZETA AND NORMA JEAN

Why don't you girls play Travel Bingo till we get to the UN? QUEEN NYLANTA

Gross! ZETA

NORMA JEAN

How square.

QUEEN NYLANTA

All right then both of you sit there and behave, or no Ed Sullivan!

(A moan from the girls.)

I mean it. And stop slouching! I swear this is the last time I take you girls on the subjugation of a major planet.

(The girls stick their tongues out at each other.)

I'll pull your tongues out and swing you 'round the room! Look at that hole in the ship. We're going to have to stop for repairs thanks to you. Now where to land? That truck stop. The instruments show it's inhabited. Yes but first a few experiments on my new subjects....

(She laughs, and then the girls join her as...)

(FADE TO BLACK)

(END OF SCENE)
